BALLOT ITEM FOR MARCH TOWN MEETING

In light of the United States Supreme Court's Citizens United decision that equates money with political speech and gives corporations rights constitutionally intended for natural persons, shall the town of Williston vote on March 5, 2012 to urge the Vermont Congressional Delegation and the United States Congress to propose a United States Constitutional amendment for the States' consideration which provides that money is not political speech, that corporations are not persons under the United States Constitution, that the General Assembly of the State of Vermont pass a similar resolution, and that the town send its resolution to Vermont State and Federal representatives within thirty days of passage of this measure?
