

2016 Village Vision

Williston's new *Village Master Plan*

Williston Village has historic and newer buildings containing homes, businesses, schools and civic uses- all arranged along a busy state highway. People in Williston have a long history of protecting and preserving this unique place. The 2011-2016 Williston Comprehensive Plan calls for a new Williston Village Master Plan, and we need your help writing it.

You can get us started by taking this very simple survey- it's only two questions!

1. What is one thing you love about Williston Village? Why?

2. What is one thing you would change about Williston Village? Why?

Please return this survey to the Williston Town Hall Annex, 7900 Williston Road, Williston, VT, 05495 by May 13th. You can also answer these questions online on the *Williston Village Master Plan* page on the Williston Planning and Zoning page on the town's website.
