1 National Life Drive
Montpelier, VT 05620

Dear Mr. Amore:

I am writing to confirm that on January 21, 2015, the Chittenden County Regional Planning Commission approved the Town of Williston 2016-2024 Comprehensive Plan and confirmed their planning process.

The approval procedure started with the CCRPC staff review of the plan and a presentation of staff findings to the CCRPC Planning Advisory Committee on October 12, 2016 and September 20, 2017. The meeting on October 12, 2016 was duly warned as a public hearing. At the meetings, the Plan was reviewed for consistency with the planning goals of 24 V.S.A. Section 4302, compliance with 24 V.S.A. 4382, and for compatibility with other approved municipal plans and with the *2013 Chittenden County Regional Plan (ECOS Plan)*. At the closure of the meeting, the Planning Advisory Committee recommended approval of the Plan and planning process to the full Commission. At the Chittenden County Regional Planning Commission meeting on September 20, 2017, the CCRPC approved the Town of Williston 2016-2024 Comprehensive Plan and confirmed their planning process (*see attached resolution*). The Plan was adopted by Williston's legislative body on August 22, 2017.

Please let me know if you are in need of any other information or have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Regina Mahony".

Regina Mahony, Planning Program Manager
