

Williston Village Designated Village Center Application- October 20, 2017

Photographs along Route 2, generally from West to East.

1. Immaculate Heart of Mary Church. This church is at the western edge of the proposed boundary. A sidewalk that runs through the village on the north side of US2 ends at this property.

2. Stovepipe Corners School. This historic structure was relocated from an area north of Mountain View Road and now is a focal point at the intersection of US 2 and Central School Drive.

2.1 The Town Green, Gazebo, and Library:

2.2 Thomas Chittenden Statue and Town Green:

3. Dorothy Alling Memorial Library at Library Lane:

3.1 View from the Library across US2 to the south, showing pedestrian enhancements:

4. The Town Hall Complex across from the Brick Church:

5. The Brick Church and US2 looking east:

6. The Taft House, a residence recently converted to offices, with new development behind it:

7. Slate Barn Drive, Slate Barn (former antique store) obscured by trees on the right:

7.1 A former one-story flat-roofed 1950's gas station (foreground) and brick store (now apartments) on the North side of US2 across from Slate Barn Drive.

8. A tractor refuels at the Korner Kwick Stop at the intersection of US2 and North Williston Road:

9. The Ayurvedic Center at the Southwest corner of US2 and Oak Hill Road:

10. The Williston Federated Church, looking West.:
