Motor Vehicle Traffic and Parking Ordinance

Town of Williston, VT

Article I. Adoption Authority

Pursuant to the provisions of Title 23, Vermont Statutes Annotated, Section 1007 and 1008, and Title 24, Vermont Statutes Annotated, Sections 1971 and 2291 (1), (4), and (5), and the Charter of the Town of Williston, it is hereby ordained by the Selectboard of the Town of Williston that the following Motor Vehicle and Traffic Ordinance is adopted for the Town of Williston, VT. This ORDINANCE is adopted pursuant to the authority of Title 24, VSA, Chapter 59 and the Charter of the Town of Williston and it is designated as a Civil Ordinance.

Article II. Purpose

In the interest of public health, safety, and welfare of the Town of Williston, this ORDINANCE is adopted to establish special traffic, and parking regulations on the public highways within the Town of Williston, Vermont, hereinafter referred to as the "TOWN".

Article III. Definitions

- (a) Words and/or phrases when used in this ORDINANCE shall, for the purpose of this ordinance, have the meanings respectively ascribed to them in this article, except when the context otherwise requires.
- (b) Whenever any words and/or phrases used herein are not defined, but are defined in the state statute regulating the operation of vehicles, any such definition therein shall be deemed to apply to such words and phrases used herein, except when the context otherwise requires.
- (c) The definitions of 23 V.S.A. § 4 are incorporated by reference.

Article IV. Special Regulations

The TOWN Police are hereby authorized:

- (a) In conjunction with the Department of Public Works, to designate and maintain, by appropriate devices, mark or lines upon the surface of the roadway, crosswalks at intersections where there is particular danger to pedestrians crossing the roadway and at such other places as may be deemed necessary;
- (b) To establish safety zones of such kind and character and at such places as may be deemed necessary for the protection of pedestrians.
- (c) The driver or operator of any vehicle shall at all times comply with any direction by voice, hand, or sign of any member of the police department as to stopping, starting or slowing down the vehicle, approaching or departing from any place and the manner of taking up or setting down passengers or loading or unloading goods in any place, and

shall comply with the instructions and directions of all official traffic signs, unless directed otherwise by a member of the police department.

- (d) The provisions of this ORDINANCE governing the movement of vehicles, shall not apply to authorized emergency vehicles while the drivers of such vehicles are operating the same in an emergency (displaying red or red/white or blue or blue/white lights) in the necessary performance of duty. Said vehicles shall have the right of way in any street and through any procession when operated in such emergency, but shall approach all official traffic signs, signals, and intersections with due care. Operating a vehicle in an emergency does not relieve the operator of said vehicle from driving with due care and regard for the general public.
- (e) The provisions of this ORDINANCE governing the parking and standing of vehicles shall not apply to authorized emergency vehicles in the necessary performance of duty.

Article V. **Speed Regulations**

- (a) The Selectboard is authorized, by vote of a majority of its members, to designate the speed limit of certain TOWN roads and streets. Such designation shall be based upon the procedure and standards outlined in the Manual on Uniform Traffic Control Devices (MUTCD) in effect when so designated.
- (b) The speed limit on all Town roads is set at 25 miles per hour unless otherwise approved by the Selectboard. All roads with speed limits set by the Selectboard above 25 miles per hour shall be recorded in APPENDIX A of this ordinance.
- (c) When signs are in place upon TOWN roads or State Highways, it shall be unlawful for any person to operate a motor vehicle in excess of the posted speed limit.
- (d) Operators of motor vehicles must drive with regard to current road conditions when operating a motor vehicle. No vehicle will be driven at speeds that a reasonable person would believe to be too fast for existing road conditions.

Article VI. **Stop/Yield Intersections**

- (a) The Selectboard has the authority, by vote of a majority of its members, to designate intersections as “Stop” or “Yield”, consistent with the MUTCD, and such designations shall be recorded in APPENDIX B of this ordinance. APPENDIX B of this ORDINANCE may be changed or updated on a periodic basis.

Article VII. **Turning/Intersection Control**

Section 7.01 **Authority to Establish Locations**

The Selectboard may approve by a majority vote of its members, the placement of traffic lights or signs at locations when required for the control of traffic, consistent with the MUTCD. Any such locations will be recorded in APPENDIX C of this ordinance.

Article VIII. **Motor Vehicle Operational Rules**

- (a) When a traffic signal or sign is present on a through street or at an intersection, vehicles must be operated in a manner consistent with state law and regulations.
- (b) The Selectboard is authorized to approve the placement of signs restricting a "U" turn or other turns and shall erect appropriate signs giving notice thereof. Operators must comply with all applicable signs.

Article IX. **Weight Regulations**

- (a) When signs are erected giving notice thereof, no person shall operate any vehicle with a gross weight in excess of the amounts specified herein at any time so declared.
- (b) 24,000 pound limit is in effect for all Town roads and bridges unless otherwise posted or a special permit has been issued.
- (c) For the purpose of this ordinance a "truck" is a motorized vehicle with a gross vehicle weight in excess of 24,000 pounds. Thru truck traffic is prohibited on the following roads unless specifically authorized by an issuing municipal official:
 - North Brownell Road
 - Section of South Brownell Road South of e911 Address 1804 to Town Line
 - Walker Hill Road
 - River Cove Road
 - Butternut Road

Article X. **Parking Regulations**

Section 10.01 **General Parking Rules**

- (a) No person shall park a motor vehicle or other vehicle on any street within thirty feet of the improved portion of an intersecting roadway or street.
- (b) No operator or driver of any vehicle shall stop, stand or park the same in front of a private driveway, lane or alley, except when necessary to avoid conflict with other traffic or in compliance with the direction of a police officer or official traffic sign.
- (c) Parking of any vehicle within an intersection, on a crosswalk, within 15 feet of a fire hydrant, in front of a private driveway, on a bridge, viaduct or the approach hereto, on a sidewalk, in a fire lane, or within any area wherein parking is prohibited is hereby declared to be public nuisance, and the Chief of Police or their designee may remove any vehicle so parked, or cause it to be removed, at the sole expense of the owner of such vehicle, to any public garage or other place designated by the Chief within the TOWN, by towing or otherwise.
- (d) No person shall park any vehicle at any time in any space herein or hereafter specified as reserved for a bus stop.

- (e) Parking of any vehicle in a private driveway without permission is prohibited and the removal of such vehicle is permissible by towing at the sole discretion of the landowner. Towing and storage fees shall be borne by the owner of such vehicle.
- (f) Whenever a motor vehicle is parked on the highways of the TOWN contrary to an ORDINANCE of the TOWN or so as to interfere with the policing, construction or maintenance of the highways, including but not limited to the removal of snow, the police department of the TOWN may cause the motor vehicle to be towed away at the expense of the owner in an amount not to exceed the towing fees established pursuant to Section 11.02 of this ORDINANCE.
- (g) The Selectboard may approve by a majority vote, recommended “No Parking” areas and may from time to time modify “No Parking” areas. “No Parking” areas will be described in APPENDIX D of this ordinance. Vehicles found parking in areas clearly posted or marked as “No Parking” may be towed away at the owner’s expense. In addition, temporary “No Parking” areas may be established from time to time by the Police Chief, Fire Chief or Public Works Director for emergency situations, special events, repairs, construction or other similar events for the duration of the event. Where practical, the temporarily designated “No Parking” area shall be identified as such with signs conspicuously placed.
- (h) If the owner of a vehicle summarily removed under this SECTION does not claim such vehicle and pay all towing and storage expenses within 30 days of the date of such removal, the title to such vehicle shall escheat to the TOWN and the vehicle may be sold or otherwise disposed of in accordance with Title 27, Vermont Statutes Annotated, Section 11.
- (i) The parking or storage of construction materials, equipment, or unregistered vehicles within the Town right-of-way is prohibited.
- (j) There shall be no overnight parking in Town-owned parking lots, with the exception of on-duty Town employees, without prior written permission.
- (k) Nothing in this Article shall be construed to make unlawful vehicular stops in obedience to the direction of a law enforcement officer or for causes beyond the control of the operator.

Section 10.02 Winter Parking

- (a) There will be **no parking** on Williston TOWN Streets and TOWN Highways between the hours of 11:00 PM and 7:00 AM from December 1 through April 1. Vehicles in violation of this ORDINANCE may be towed away at owner’s expense in the event of a snow storm or in the event of past violations.
- (b) The presence of any motor vehicle in or upon any TOWN street or highway in violation of this SECTION shall be prima facie evidence that the person in whose name such vehicle is registered on the records of the Commissioner of Motor Vehicles of the State of Vermont, committed or authorized such violation.
- (c) Each day a motor vehicle is parked on a TOWN street or highway, in violation of this SECTION shall constitute a separate offense.

Article XI. **Miscellaneous Provisions**

Section 11.01 **Driving on Sidewalks or Recreation/Shared Use Paths**

No vehicles shall be driven along or upon any sidewalk or any paved surface commonly used as a recreation path other than those vehicles that are there to perform maintenance or those used for a public safety purpose, within the Town.

Section 11.02 **Towing and Storage Fees**

Unless otherwise set by Vermont law, the Selectboard, by a majority vote, shall adopt reasonable towing fees applicable to all towing situations where the police department has initiated the towing of a vehicle in violation of any SECTION of this ordinance.

Section 11.03 **Depositing of Snow and Ice**

No person, by their own act, or through their agents or employees, shall throw, put, place, push or otherwise deposit snow or ice on the paved or travelled portion of any public street, on any TOWN sidewalk, or in such a manner so as to cover or hinder the use of a TOWN fire hydrant.

Section 11.04 **Tampering with Traffic Control Devices**

- (a) It shall be unlawful for any person to intentionally remove, injure, obstruct, deface, alter or tamper with any traffic control device.
- (b) It shall be unlawful for any person to install any sign or device that may resemble or be mistaken for an official traffic control device, without prior approval of the Town.

Section 11.05 **Loaded Vehicles**

No vehicle shall be driven or moved on any street unless such vehicle is so constructed or loaded so as to prevent its contents from dropping, sitting, leaking or otherwise escaping therefrom.

Article XII. **Enforcement of Traffic Related Offenses**

Section 12.01 **Authority**

Pursuant to Title 24 VSA 1931, 1935, 1974, 1974a, and 1977, Title 24 APP 156-5 (d), and Title 23 VSA 1007 and 1008, certified Vermont police officers appointed by the Town of Williston are authorized to enforce motor vehicle and parking ordinances promulgated by the TOWN or have otherwise become effective in accordance with Vermont Statute. Offenses in this ordinance, unless otherwise noted, shall be considered and enforced as traffic violations according to Title 23 VSA Chapter 24. Officers will utilize approved Traffic Complaints according to Title 4 VSA Chapter 29.

Section 12.02 **Penalties**

Traffic violations fall under the jurisdiction of the Vermont Judicial Bureau and have penalties assessed according to the Judicial Bureau Waiver Penalty Schedule in effect at the time of violation.

Article XIII. **Parking Related Offenses**

Section 13.01 **Authority**

Offenses relating to winter ban parking (Section 10.02) shall be considered parking violations and not a traffic violation or offense.

Section 13.02 **Civil Penalties**

Any person who is in violation of (Article X) this ordinance shall be subject to a civil penalty of up to \$60 for each violation. Any law enforcement officer may act as an Issuing Municipal Official.

Section 13.03 **Civil Penalty and Waiver Fee Amounts for Violations**

The following shall serve as the minimum and maximum civil penalties for parking-related violations (Article X). An issuing municipal official is authorized to recover a waiver fee for any person who declines to contest a municipal complaint and pays the waiver fee. The waiver fees are also included below:

| | Minimum | Maximum | Waiver Fee |
|--------------------------------------|---------|---------|------------|
| First offense | \$15.00 | \$35.00 | \$25.00 |
| Second Offense | \$25.00 | \$45.00 | \$35.00 |
| Third Offense and subsequent offense | \$40.00 | \$60.00 | \$50.00 |

Article XIV. **General Provisions**

Section 14.01 **Severability**

If any portion of this ORDINANCE and any amendments made hereto are held unconstitutional or invalid by a court of competent jurisdiction, the remainder of this ORDINANCE and amendments made hereto shall not be affected and shall remain in full force and effect. If any statute referred to in this ORDINANCE shall be amended, this ORDINANCE shall be deemed to refer to such amended statute.

Section 14.02 **Separate Offenses**

Each violation of a provision of this ORDINANCE shall be deemed a separate offense.

Section 14.03 **Penalties**

The provisions of this ORDINANCE shall be cumulative to the fullest extent permitted by law with respect to all other statutes or ordinances now or hereafter adopted regardless of their order of passage or enactment.

Section 14.04 **Designation**

This ORDINANCE may be referred to as the Williston Traffic Ordinance and in a prosecution hereunder a copy of such ordinance, certified by the Town Clerk shall be prima facie evidence

thereof. An allegation that the act constituting the offense charged is contrary to a specified provision of this ORDINANCE shall be a sufficient reference hereto.

Article XV. Repeal of Prior Ordinances

Any other ORDINANCE or regulation heretofore adopted by the Town of Williston for the regulation of Winter Parking, Ordinance to Prohibit the Depositing of Ice, Snow or Manure in Public Streets, or Traffic Ordinance is hereby repealed and replaced in its entirety by this ordinance.
