FROM: Erik Wells, Assistant to the Town Manager

RE: WILLISTON CHARTER REVISION, SECOND PUBLIC HEARING

---

The following is a suggested edit to the current Williston Charter Revision Proposal for consideration before it is sent to the voters on Town Meeting Day 2019.

In section 14(5)(A) amending the language to require someone to be a registered voter to run for and hold local office. This change was run by Attorney Paul Gillies, and he is in agreement as this change is in accord with state law.

(5) Qualification to run for and hold local office. (A) No person shall be qualified to run for or be elected to hold an elective office unless he or she is a duly ~~qualified~~ registered voter and resident in the town of Williston.
