Dear Emily,

Thank you for all of your time and efforts in assisting us with this project. We appreciate all of the Staff's efforts and look forward to wrapping this project up shortly.

As you are aware, the plan included a gravel path running North to South in the center of the Chloe Drive circle. In Phase 2 permitting, we removed the planned landscaping in favor of saving existing vegetation, but errantly did not remove the path. See attached sheet L-102.

We request the plan be modified to remove the path for the benefit of the natural vegetation and the privacy of the neighbors.

Thank you.

Best regards,
