**Subject:** Whitney hill road/sidewalk

Hi,

I'm the Director of Maintenance for cathedral Square corporation, we own Whitney Hill Homestead in the village of Williston. I'm writing to see if we could get The Town of Williston to start plowing the sidewalk that goes up Whitney hill road next winter. As you know, we have residents that are all senior citizens. When they walk down Whitney hill they are forced to walk in the roadway because the sidewalk is never plowed.

I realize this request is out of season but I wanted to ask while it was on our minds and also to give the Town ample time to plan for it should you decide to plow it.

Thanks

Jim Whitcomb
