Dear Mr. Otty:

1763

As you may know, the Town has entered into an Agreement with the North Country Sportsman's Club concerning the hours of operation. This Agreement was crafted pursuant to a Noise Control Ordinance adopted by the Williston Selectboard on October 25, 2004. The Agreement provides for the automatic renewal for successive one year terms unless either party provides written notice of its intention to terminate.

Please accept this letter as the Town's request to renegotiate this Agreement. There are two specific issues we wish to address.

First, the Agreement only permits shooting on Saturday's for "Special Events". Unfortunately, there is no definition of what constitutes a "special event" nor is there any language that limits how many "special events" may occur during the course of a year.

Second, the Agreement currently requires 48 hours advance notice of any "special events". We request that the advance notice time be increased.

If you or other representatives of the Club are interested in discussing these issues we will be happy to accommodate. Thank you in advance for your attention to this matter.

Very truly yours,

Richard McGuire
