MEMORANDUM

TO: Rick McGuire, Town Manager

FROM: Bruce K. Hoar, Public Works Director

CC: Lisa Schaeffler, Assistant Director

DATE: January 12, 2017

RE: Speed Limit on Old Stage Road

The CCRPC completed a spot speed study for upper Old Stage Road. This was requested by Public Works after requests were made from residents of the road.

The results and recommendation from the study is to reduce the speed limit from 35 MPH to 25 MPH on the section of Old Stage north of Mountain View.

Public Work recommends reducing the speed limit to 25 MPH as per the study.
