1:15,000

1 inch equals 1,250 feet

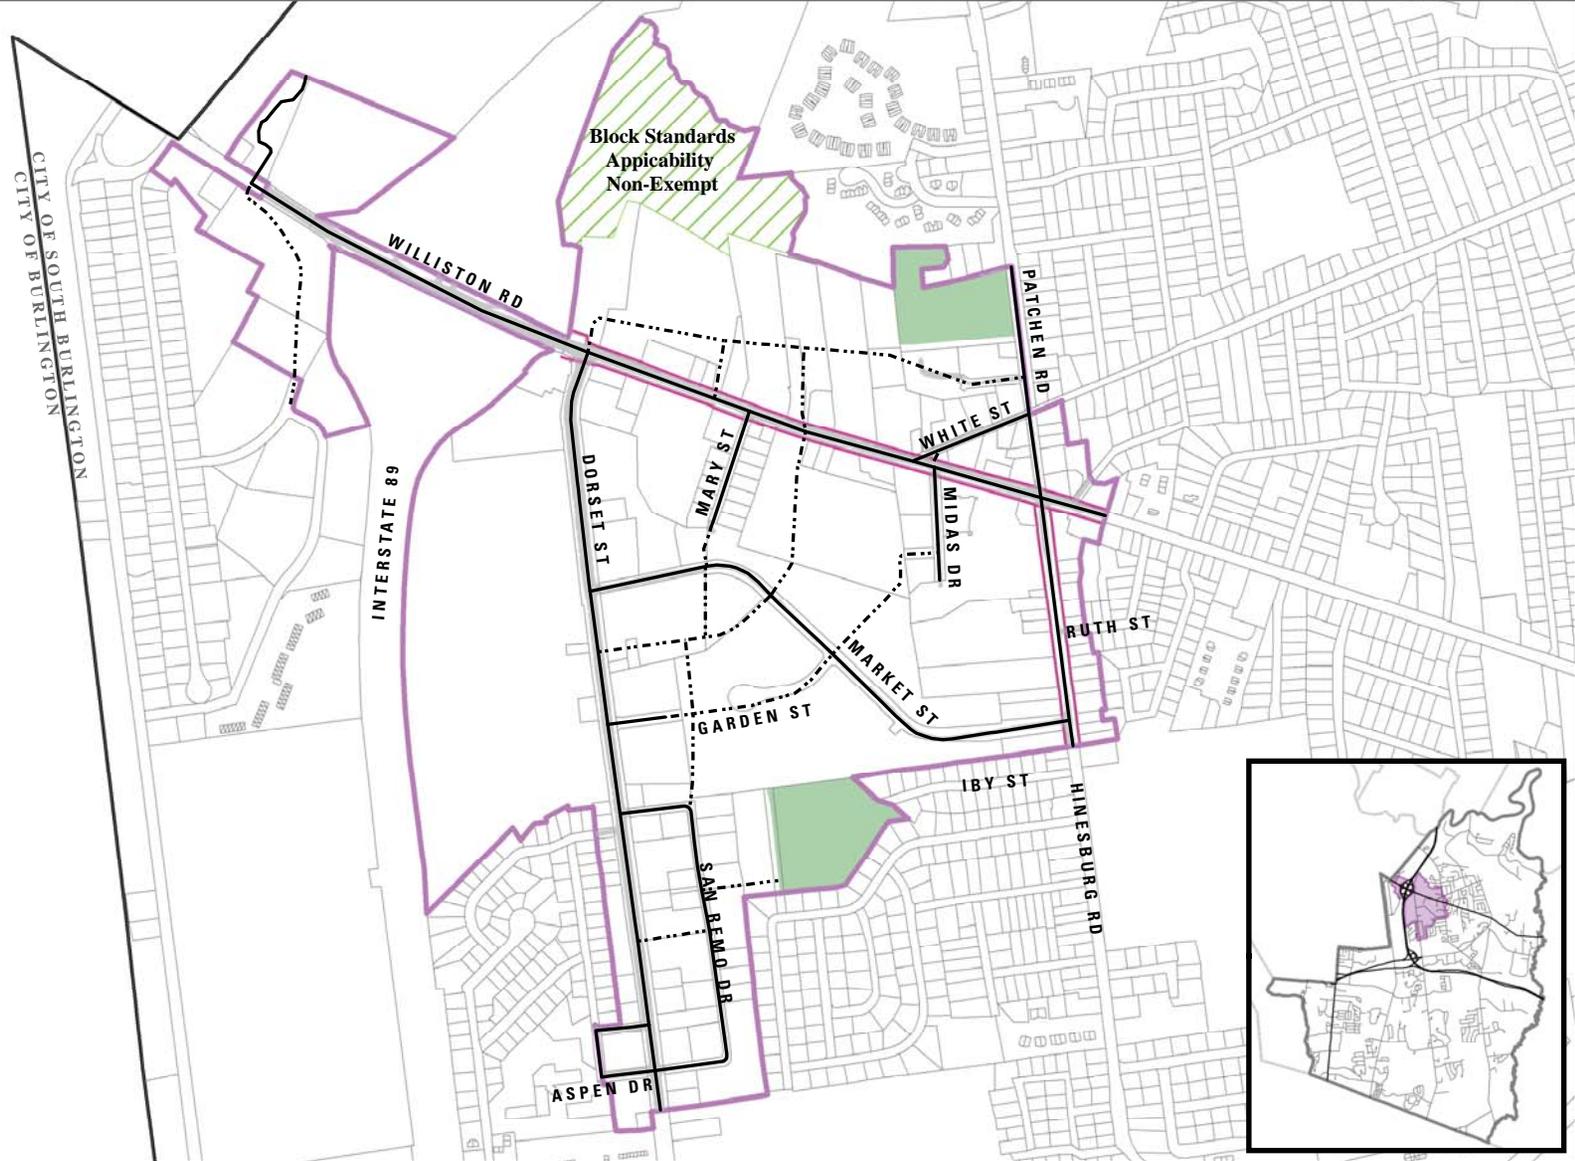

The following notations are hereby incorporated into the Official Map:

1. Blue circle #1 refers to the proposed realignment and reconstruction of Airport Parkway to facilitate circulation between Lime Kiln Road and the Airport.
2. Blue circle #2 refers to the provision of a dedicated off-ramp at Exit 14 to serve the Hill institutions.
3. Blue circle #3 refers to the creation of a grid street network to serve the City Center development.
4. Blue circle #4 refers to provision of a northbound on-ramp at Exit 13.
5. Blue circle #5 refers to creation of an appropriate internal roadway network for development of the O'Brien farm property and provision of between five and ten acres of public parkland within the property or an immediately adjacent area.
6. Blue circle #6 refers to development of Exit 12B at Hinesburg Road and a dead-end at Old Farm Road. Blue circle #6 also refers, along with blue circle #7, development of an appropriate roadway network to service Exit 12B and facilitate connections to Williston Road, Kennedy Drive and Kimball Avenue.
7. Blue circle #8 refers to development of an internal roadway linking Queen City Park Road with Fayette Drive through the Martin's Foods and Southland properties.
8. Blue circle #9 refers to development of an appropriate roadway system between Hinesburg Road and Dorset Street through the Marceau and Chittenden properties.
9. Blue circle #10 refers to acquisition of right-of-way and completion of a reconfigured intersection at Spear Street and Swift Street.
