Re: Finney Crossing Plowing Request

Dear Bruce,

We are requesting that the Town of Williston maintain and plow the sidewalks and bike paths that Snyder Taft Corners, LLC has installed. These recreation paths and sidewalks were required as part of the permits for the Finney Crossing neighborhood.

We are currently maintaining these areas even though they are used by many Williston residents that live and work in adjacent neighborhoods. The Town of Williston should take over the maintenance of the important Town infrastructure.

We are making this written request so that the Public Works Dept and the Selectboard can approve the maintenance of these areas starting in late 2016.

Thank you for your consideration.

Chris Snyder
Snyder Taft Corners, LLC
