The Town of Williston recently acquired a 29-acre parcel of open space in northwest Williston. A proposal is being considered that would transfer the parcel to the Winooski Valley Park District. Should this transfer happen, WVPD would engage in a project to create access to the park, improve trails, signage, bridges and puncheons – all guided by a Management Plan designed to protect the natural values of the site. WVPD and the Town of Williston seek public input on this concept. This visioning workshop will explore the issues, opportunities and range of recreational uses for this parcel, as well as discuss the concept of ownership by WVPD. Hope to see you there!
